

Pine Hollow Summer Camp 2010

Hello Parents!

We know that the time is near when you will begin scheduling your summer vacations and activities. We want to get you the summer camp info out early, because there will be a high demand for spots and the earlier you have the info the better the selection you will have on camp weeks that you would like your child to be a part of.

Camp this summer will offer a variety of activities ranging from Riding lessons, Trail Riding, Barn Management, Horse Health Care to Arts and Crafts, Games, Journaling, Horse Trivia, Prizes and end of the week horse shows. We are very excited for the summer because it is always fun for everyone involved and the kids make great friendships as well.

We are also excited that the barn is planning to begin construction on a brand new large covered arena that will be excellent to ride in on the hot summer days. This means no cancellations of ride time due to rainy days or extreme temperatures!! We will have an A/C glass viewing area that will be perfect for the end of the week horse shows for parents as well as a great lunch eating area for the kids.

So get your Registration in early and reserve a spot for your child to have a great summer filled with terrific memories! ☺
